ABOUT THE DESIGNER

Hi! I am Leslie Dunn, the owner and artist of 9+C Designs. I am an Arkansas native living in Little Rock with my husband, Hunter, and our two children, Eloise and Sam Henry.

Back in 2016, while living at the intersection of 9th and Cherry Street in Seattle, I began 9+C Designs as a personal hobby. Fast forward to 2020, and I made the bold decision to transition from my career in the hospitality industry to fully dedicate myself to 9+C.

Running this business has been incredibly fulfilling, and I cherish every project I've had the privilege to bring to life. It's truly a dream come true, and I'm grateful for the journey. Cheers, y'all!
